

## Cabling System Solutions - Voice

### Voice Panel, 50P

#### Overview

Telephonic panel with 50 Ports, metallic, 1.5mm thickness. Black color (RAL 9005). Includes 25 clamps (60x2.4mm).

#### TECNICAL DATA

##### Standards

EIA / TIA 568A

##### PCB

FR-4/1.6mm, UL-94V-0

##### Contacts

Bronze and tin

##### Insulation Resistance

500m $\Omega$  (minimum)

##### Maximum Current

1.5A

##### Crimping life cycles

> 25 cycles (minimum)

##### Socket RJ45

PBT / UTP RJ45, UL-94V-0

##### Panel Enclosure

Fire resistant PBT UL-94V0

##### Terminals

Cable AWG 22 – 26

##### Contact Resistance

20m $\Omega$  (maximum)

##### Supported Dielectric Voltage

1000 VAC RMS @ 60Hz/1minute

##### Insertion Life Cycles RJ45

> 200 cycles (minimum)
